Workshop Information

Music on the Mountain is an annual weekend viola da gamba workshop for intermediate and advanced level players. The weekend begins with Friday evening dinner followed by an all group play. On Saturday and Sunday, small consort sessions are coached by our excellent faculty, who also give an informal faculty recital Saturday evening. The workshop concludes Sunday at noon. Private lessons with faculty can be arranged. Workshop registration is limited to 30 students.

Location

DuBose Conference Center (www.duboseconf.org) is situated on the beautiful Cumberland Plateau just off I-24 in Monteagle, TN. Workshop participants can select housing in Bishop's Hall (en suite bathrooms) or Claiborne Hall (bathrooms down the hall). Meals, served in the conference center's intimate dining hall, are included in the conference fee.
